COLLEGE

PROJECT TITLE

"A Glimpse of my academic and technical journey "

AGENDA

1. Problem Statement
2. Project Overview
3. End Users
4. Tools and Technologies
5. Portfolio design and Layout
6. Features and Functionality
7. Results and Screenshots
8. Conclusion
9. Github Link

Edit with WPS Office

PROBLEM STATEMENT

Nowadays, students and professionals need a proper platform to showcase their projects, achievements, and skills. Traditional resumes are not enough to demonstrate creativity and technical work. Hence, there is a need for a Digital Portfolio which highlights all skills, works, and accomplishments in an interactive and organized manner.

PROJECT OVERVIEW

This project focuses on creating a Digital Portfolio that represents personal and professional details, skills, and projects. The portfolio is designed to be simple, user-friendly, and visually appealing, providing an online space for individuals to showcase their journey and talents.

WHO ARE THE END USERS?

Students (for academic purposes)

Job seekers (to share skills and projects with recruiters)

Professionals (to highlight achievements)

Freelancers (to attract clients)

FEATURES AND FUNCTIONALITY

Responsive design (works on mobile & desktop)

Interactive sections (navigation bar, buttons)

Project showcase with links and descriptions

Contact form or clickable contact info

Easy updates and modifications

POTFOLIO DESIGN AND LAYOUT

Home Page: Introduction and personal details

About Section: Skills, strengths, and academic details

Projects: Description and links to projects

Contact Section: Email, LinkedIn, GitHub links

Simple, responsive, and easy-to-navigate design

RESULTS AND SCREENSHOTS

CONCLUSION

The Digital Portfolio provides an innovative way to showcase skills and achievements beyond traditional resumes. It helps students and professionals to present themselves better in the digital world and increases career opportunities.
